

Impressions of the

# First International Conference on SOLAR ENERGY SOLUTIONS FOR ELECTRICITY AND WATER SUPPLY IN RURAL AREAS

Hosted by the American University in Cairo, October 7-8<sup>th</sup>, 2015

 THE AMERICAN UNIVERSITY IN CAIRO  
الجامعة الأمريكية بالقاهرة  
Research Institute for a Sustainable Environment

SC sustainable  concepts

 AUTARCON

## Thanks to all participants!

AUTARCON, SC and RISE are very grateful for all visitors, contributors and supporters that have made this conference to all of us an unforgettable experience. During the conference several innovative approaches and applications utilizing renewable energies for rural applications were presented and discussed.

In workshops and during the excursion new ideas on how to penetrate this potential market were developed and new collaborations have already resulted from those.

Impressions of the excursion held during

# First International Conference on SOLAR ENERGY SOLUTIONS FOR ELECTRICITY AND WATER SUPPLY IN RURAL AREAS

October 9-10<sup>th</sup>, 2015

 **THE AMERICAN UNIVERSITY IN CAIRO**
